(Funds issued to scholarship recipient as part of Preservation Warrenton Annual Partners' Event held in September of each year.)

**\* Essay Topic**

(please type your response and include it  
as part of your application packet)

From your own personal perspective, what does “historic” mean to you in regard to sites that are historic to Warrenton and Warren County? If you were given \$1,000,000 to invest in the preservation of a historic Warrenton or Warren County site, which site would you choose, why would you choose it, and how would you spend the money?
